

ELECTRIC SCREENS

## DESIGNER CONTOUR ELECTROL

The newest addition to Da-Lite's electric screen line is The Designer Contour Electrol. The Designer Contour has a stylish curved aluminum extruded case, available in black or white finish, with dimensions of only 4 5/8" high and 4 3/32" deep, making the Designer Contour small enough to fit into any installation. An optional choice of seven veneer finishes is available for the front cover of the screen case for a warm and elegant look. An optional low voltage control unit can be built directly into the case for easy installation. The Designer Contour is available in sizes from 50" to 96" wide in square, video and HDTV formats.
