**720p, Hi-Def  
performance  
with HDMI™**

The ultimate high-definition projector, DVD and music player combo, Epson MovieMate 72 takes big-screen entertainment to a new level with precision 720p resolution.

- **Enjoy larger-than-life entertainment**
  - All-in-one product includes built-in progressive scan DVD/CD player and four 5 W Dolby® 5.1 DTS® stereo speakers
  - Displays standard DVDs in even more detail at high-definition 720p resolution
  - Projects images up to eight times larger than on a 40-inch, widescreen TV
- **Simply plug it in and let the fun begin**
  - No additional cables or equipment to hook up
  - Unique swivel base for versatile DVD loading
  - Natural colors and bright, vibrant images with 3LCD technology
- **Use it for games, movies and more**
  - Works with your Apple® iPod®, Nintendo® Wii™, Sony® PS3™ or Microsoft® Xbox 360™ video game system for more entertainment options
  - Connects to high-definition devices via HDMI for even more entertainment value
  - Displays an 80-inch, widescreen image from just 6 1/2 feet away, or a 120-inch image from just 10 feet away
